

## WHY CONSIDER UPGRADING SECURITY OF YOUR MACHINE

- HIGH VOLUMES OF MACHINES ARE BEING STOLEN IN THE CAMBRIDGESHIRE AND LINCOLNSHIRE AREA.
- MOST MANUFACTURERS STILL USE ONE KEY FITS ALL MACHINE (IDEAL FOR CONVENIENCE NOT FOR SECURITY!)
- INSURANCE COMPANIES OFFERING PREMIUM DISCOUNTS WITH THATCHAM 2 RATED PRODUCTS FITTED.
- SPECIALIST MACHINES THAT ARE NOT "OFF THE SHELF" CAN TAKE SOME TIME TO REPLACE, LEADING TO COSTLY DOWN TIME.
